SPECIAL PROGRAMS

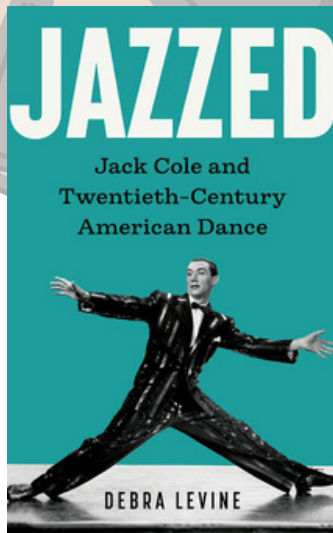

TRIBUTE TO GEORGE PAL AND PUPPETOONS SATURDAY SEPT 5TH - 10:30AM

For this Special Presentation by producer-director and preservationist Arnold Leibovit CINECON audiences will experience a special tribute to Academy Award®-winning filmmaker George Pal, creator of the groundbreaking Puppetoons and such sci-fi classics as *The Time Machine* and *The War of the Worlds*, with the world premiere of the new documentary: *The Puppetoon Movie: A Legacy Revisited* (2026, 50 min.) Following the documentary, Cinecon will present two George Pal Puppetoons Restored in Technicolor: *The 500 Hats of Bartholomew Cubbins* (1943) and *Tubby the Tuba* (1947). Signed Copies of The Puppetoon Movie Director's Cut Blu-ray newly restored with bonus extras materials will be available in the lobby.

KINECON SATURDAY SEPT 5TH - 3:10PM

For the tenth anniversary of Kinecon At Cinecon, we are paying a tribute to the Clown Princes of Television. Early Motion Pictures had Chaplin, Keaton, Lloyd and Langdon - Early Television had Benny, Berle, Gleason and Caesar. These four men were Titans of the orthicon tube with literally millions of viewers tuning in weekly to see how outrageous they were going to be. Their programs were Live, meaning what you saw is what you got. We present them in performance, most not seen in decades. It is a laugh filled program with many familiar faces to spot from those early days when the entire family would gather around and be entertained by proven masters of their craft.

THE CHOREOGRAPHER AND THE MOVIE MOGULS SUNDAY SEPT 6TH - 2:00PM

Presentation by Author Debra Levine, marking the arrival of her long-awaited book, *JAZZED, Jack Cole and Twentieth-Century American Dance*, CINECON is proud to present its author, Debra Levine, for an illustrated lecture, "The Choreographer and the Movie Moguls." This special-for-CINECON talk will reveal how an arty-and-exigent gay man planted a flag for high-quality dance within the studio system and to an astonishing degree, succeeded. Cole not only staged steps; he was a one-stop shop for costuming, music arrangement, cutting, and occasionally directing. This on-the-job tutelage enabled by the moguls gave birth to an under-acknowledged cineaste. Ms. Levine will be signing copies of her book after the presentation.

PARAMOUNT SHORTS IN GLORIOUS TECHNICOLOR MONDAY SEPT 7TH - 5:00PM

BACK BY POPULAR DEMAND! MORE PARAMOUNT SHORTS IN GLORIOUS TECHNICOLOR! Charlotte Barker and her hard-working team of film restorationists have rescued four more rare and unusual short subjects from the Paramount vaults that will be making their world premiere at Cinecon this year! *Mardi Gras* (1943) Starring musical favorites Johnny Johnston and Betty Jane Rhodes. *The Little Witch* (1945) with Olga San Juan, Bob Graham, Adeline De Walt Reynold, Duncan Renaldo, Pedro de Cordoba. *Lucky Cowboy* (1944) featuring Eddie Dew and Julie Gibson.

PLUS, *PARIS IN THE SPRING* (1947) WITH THE WORLD-FAMOUS BOB BAKER MARIONETTES! IT WILL SCREEN ON SATURDAY MORNING AT 10:00AM.
